

## **Allina Hospitals and Clinics Selects PatientTrak**

**November 2010** – Allina Hospitals and Clinics has selected PatientTrak for use at their Mercy Hospital facility. PatientTrak will be used in conjunction with the Epic system to manage patient flow in the Emergency Department.

PatientTrak is proud to provide a system which assists in the delivery of top quality care at Mercy Hospital, and is looking forward to a long-term relationship with Allina Hospitals and Clinics.

**About PatientTrak.net:** PatientTrak.net is the leading provider of on-demand patient tracking solutions. Using only a web browser, the PatientTrak system allows health facilities to easily track patient's wait times, status, and treatment providers. The PatientTrak solution sold with a low monthly subscription fee and no software or hardware to buy, greatly reducing the need for IT investments, maintenance, and support.

**About Allina Hospitals and Clinics** – Allina Hospitals & Clinics is a not-for-profit family of hospitals, clinics, and other care services dedicated to meeting the lifelong health care needs of communities throughout Minnesota and western Wisconsin by delivering exceptional health care and support services through 31,500 dedicated employees, physicians, and volunteers.
